Seminar Privacy Policy: Seminars will not be recorded.

We ask that you not record the seminars on your personal device, out of respect for privacy. Similarly, we encourage people not to take screenshots. However, should you choose to do so, you should get permission from the speaker before using any of their content in a public setting (e.g., lab meeting, classroom). If your shots include pictures of other people, you should also obtain permission from each person before showing these images or posting them in any public forum.
