A Culturally Conscious Approach to Pharmacy Practice

Please join The College of Pharmacy on May 17, 2018 at 11am in 1324 East Hall as Dr. Josepha Campinha-Bacote, internationally renowned expert in transcultural care, presents on how health professionals can better serve their patients by being informed and aware of cultural differences.

Dr. Campinha-Bacote is President and Founder of Transcultural CARE Associates, a private consultation service which focuses on clinical, administrative, research, and educational issues in transcultural health care and mental health. She earned her PhD in Nursing from the University of Virginia, and holds several state, national and international certifications. She is Board Certified by the American Nurses Credentialing Center as a Clinical Nurse Specialist in Adult Psychiatric & Mental Health Nursing.
