

HELP PATIENTS LIKE TYLER FIND THEIR CURE

Tyler, Searching Patient

For patients with life-threatening blood disorders like leukemia, lymphoma or sickle cell, a cure exists through a blood stem cell donation.

The UM College of Pharmacy, in partnership with NMDP, is hosting a donor drive on Central Campus in the Diag to help add more potential lifesaving donors to the registry. Faculty and staff will be out in full costume, bringing energy, fun, and a little extra flair while advocating for the chance to help save a life.

**Join the NMDP RegistrySM at our upcoming
recruitment event on the Diag!**

Date October 30, 2026
Time 10:00 a.m. – 2:00 p.m.
Location The Diag
913 S University Ave
Ann Arbor, MI 48109
