University of Michigan Admissions Committee	2006-2010 and 2017-Present
Application reviews, interviews, and recommend potential pharmacy students to the Assistant Dean, screen students admitted for potential scholarships given to first year students	

University of Michigan College of Pharmacy: Clinical Skills Committee	2018-Present
--	--------------

Pharmacy Investigations Committee	2016-2017
-----------------------------------	-----------

Therapeutics Problem Solving Committee	2012-2016 2021
--	-------------------

University of Michigan Ambulatory Care Residency Advisory Committee	2018-Present
--	--------------

University of Michigan Community Pharmacy Residency Advisory Committee	2018-Present
---	--------------

**Michigan Medicine Brighton Health Center Committees**

Brighton Health Center Care Team—Internal Medicine	2019-Present
--	--------------

Brighton Health Center—Internal Medicine Chronic Disease Management team huddle	2013-Present
--	--------------

Brighton Health Center—Pediatrics Chronic Disease Management team huddle	2014-Present
---	--------------

Brighton Health Center—Internal Medicine Chronic Disease Management Oversight	2013-Present
--	--------------

**Teaching Responsibilities**

Pharmacotherapeutics P512	Winter 2010-2017
---------------------------	------------------

Self-care therapeutics, team based learning Co-coordinator of course	Winter 2010-2017
---	------------------

Pharmacotherapeutics P602	Fall 2011-Present
Team based learning teaching of hypercholesterolemia, hypertension, women’s health, asthma, COPD, obesity, osteoporosis, and thyroid disorders	
Coordinator of course	Fall 2021

Pharmacotherapeutics P612	Winter 2014-Present
---------------------------	---------------------

Team based learning teaching of diabetes

Pharmacotherapeutics P617—Elective Course Winter 2014  
Crossover course teaching obesity both didactic and team based learning

Pharmacotherapeutics P532 Winter 2007-2012  
Didactic teaching of hypercholesterolemia, anemia, BPH, and erectile dysfunction

Pharmaceutical Care P451 Fall 2006  
Help design semester long project for second year students to obtain a medication history and develop a pharmaceutical care plan and drug therapy assessment for patients in an assisted living facility

Pharmaceutical Care P351 Fall 2008-2010  
Didactic and classroom activities involving communication, medication histories, database collection forms, medical terminology, and motivational interviewing

Pharmacy P552 Winter 2010
